**RE: Discontinuation of Curbside Collection in Old Town**

Dear Old Town Bluffton Resident:

The Town of Bluffton is requesting your assistance and cooperation in helping the Town end a service that has been exclusively provided to you as Old Town residents, and not to others living within the town limits of Bluffton.

Budget constraints prohibit the Town from continuing to pick up debris/leaves/grass clippings/limbs at curb side. **Effective Thursday July 1, 2010 Town crews will no longer pickup any curbside collection of grass clippings, leaves, limbs and debris.** You must make arrangements to dispose of these materials at the Beaufort County Convenience Center located on Bluffton Parkway and Simmonsville Road or you could make your own arrangements for someone to pick up these materials.

I hope you will understand that this special service can not be continued to you without providing the same service to the rest of the community. We truly thank you for your cooperation and appreciate your understanding of why the Town must discontinue this service.

Should you have any questions related to this letter or any other Town service, please do not hesitate to give me a call. I can be reached at 706.4500.

Sincerely,

Anthony W. Barrett  
Town Manager
